TO WHOM SO EVER IT MAY CONCERN

It gives me great pleasure to write about our association with Dr. Hema Purandarey, MBBS, MS, FICMH, PhD.

Dr. Purandarey has been instrumental in advancing the field of reproductive, cancer, paediatric and adult genetics, specialties of Medical genetics in medical practice in India. Dr. Purandarey has educated and enlightened medical professionals, clinicians and scientists at various institutions including ICMR.

Dr. Purandarey's insights proved to be beneficial to our Institute. She was entrusted to critically evaluate ICMR's proposal of 'Validation of Newborn Screening'. She has also been a member of the reviewing committee for training and research proposals by the Department of Health & Research to the Ministry of Health & Family Welfare, Govt. of India, through ICMR-NIRRCH Mumbai. Dr. Purandarey has been a regular faculty of our training workshops for medical professionals.

In the wake of changes in the socio-economic infrastructure, lifestyle, and environment of individuals, the Institute is involved in research across the field of reproductive health. Dr. Hema Purandarey has contributed towards enhanced, superior delivery of patient care provided by ICMR.
